ADDITIONAL SPONSORSHIP OPTIONS

Exclusive Sponsor: \$TBD

If making sure your competitors aren't present is a priority, we can discuss an exclusive sponsorship. (e.g. If you make coffee, we can make sure your brand of coffee is the only one available at the festival.)

Collaborative Sponsor: \$TBD

With this option, we will work with you to create a totally customized experience of your brand for our festival goers. The audience at The New York City Poetry Festival is smart and savvy, and they pride themselves on their integrity; they are inherently skeptical of "advertising." With this option, our production team work with you to integrate your brand in a meaningful way into the artistic environment of the festival and the natural beauty of the island.
